Winter 2018 Women's Ministry Update

Likewise, teach the older women to be reverent in the way they live, not to be slanderers or addicted to much wine, but to teach what is good. Then they can urge the younger women to love their husbands and children, to be self-controlled and pure, to be busy at home, to be kind, and to be subject to their husbands, so that no one will malign the word of God.

Titus 2:3-5

Titus 2 Mentoring Has Taken Off!

Seven ladies are embarking on a year long adventure of spiritual growth. They are reading books, memorizing scripture, and spending more time with the Lord. A few of the books they will be reading include: "Discerning the Voice of God", "Women in the Word", "Too Busy Not to Pray", and "Classic Christianity". It is exciting to see younger generations intentionally investing in their walk with Christ. Please join us in praying for these young ladies to persevere, and for God to use this year to influence and direct the course of their lives!
