Hearing Assists are available at the Sound Booth.

As many of you are aware, Cass county has seen an increase in the number of Covid-19 cases over the last couple of weeks, including a number of cases among some of the community's high school students. For the sake of the health of our students and youth leaders, we are going to suspend Wednesday night youth group for the following Wednesdays: 8/19, 8/26, 9/2. Our hope and prayer is to resume youth group meetings on Wednesday, September 9. We will keep you updated as that date gets closer. Thanks for your understanding, and please do be praying for our students. This is a tough time for them for all sorts of reasons, so keep lifting them up to the Lord.

Please check your email and the church Facebook page regularly for updates from the church about programs, etc. If you have subscribed to our all-church e-mail list, but aren't receiving our e-mails, please check your spam/junk folder and verify that church@atlanticfreechurch.com is in your address book/contacts. If you are not subscribed and would like to be, please e-mail the church office at church@atlanticfreechurch.com and request the link to sign up.

Dear Brothers & Sisters in Christ - Thank you for partnering with us for our Baby Bottle Boomerang. Because of your generosity and your selfless giving, we were able to raise almost \$10,000 for our baby boutiques, to help parents, care givers and children we serve. We are encouraged and blessed, and thankful for your prayers and partnership.

For His Glory, LC Clinic family

Dear Atlantic E-Free family—We just wanted to say thank you again for your support and prayers. In a season where we have felt very isolated (along with the rest of the world), knowing that you care about us and are thinking of us is very encouraging. Even with the uncertainty around us, your generosity is overflowing! We're still in the hottest months here, but look forward to some relief after a month or two. In the meantime, we're giving thanks for the Internet which allows us to connect with family and friends and have some fellowship virtually. We're also thankful for cold water to drink and air conditioning! Blessings to you as you start up fall activities, even if they're altered this year.
