Theology for the Rest of Us: Have you ever wished you had a more systematic understanding of your faith but have felt intimidated by theology textbooks or taking a seminary class? If you have, we have just what you're looking for! Beginning on June 6, we will be offering Part 1 of a multiple-part systematic theology class during the adult Sunday School hour. Pastor Don and Chad Williams will be co-teaching this first section, which will focus on the Doctrine of the Word of God. We will be using Wayne Grudem's *Systematic Theology, Second Edition* as our basic text. All are welcome to join us for an exploration of the core doctrines of Christianity.

Volunteers are needed to make freezer meals for sharing when immediate meal needs arise. Meals should be packaged in 8x8 disposable pans and labeled with their contents and directions. Please place in the church kitchen freezer by June 13th. Questions? Contact Tina Olson or Carrie Clemson. Thank you for serving!

As the coronavirus pandemic winds down, please be sensitive to other worshippers. We are all in different places in terms of our health needs and comfort levels. As we get in to the summer months, please keep the following in mind:

- The use of a face covering or mask is welcome but not required at our service.
- Cover your nose and mouth when coughing or sneezing. Cough or sneeze into your elbow rather than your hands.
- Practice regular washing of hands with soap and water.
- Overflow seating is available in the Fellowship Hall if you would like to watch the service on the monitor there.
- There will be two songs at the end of the service. If you would like to leave after the first song for the sake of social distancing, you are welcome to do so.
