As the coronavirus pandemic winds down, please be sensitive to other worshippers. We are all in different places in terms of our health needs and comfort levels.

Please keep the following in mind:

- The use of a face covering or mask is welcome but not required at our service.
- Cover your nose and mouth when coughing or sneezing. Cough or sneeze into your elbow rather than your hands.
- Practice regular washing of hands with soap and water.
- Overflow seating is available in the Fellowship Hall if you would like to watch the service on the monitor there.
- There will be two songs at the end of the service. If you would like to leave after the first song for the sake of social distancing, you are welcome to do so.
